OWN

The essential and perhaps everything I own. It is a layered and modular, kept monochrome, the bag it travels in, and the handful of things that stay put. It lets me shop rarely, and when I do, I buy without thinking too much, often a few of the same item at a time. I also believe in *Buy Once Cry Once*. The aim is for this list to get shorter with time.

Wear

SHIRTS

- Dress shirt — BESPOKE
- Casual shirt — MUJI
- Henley
- T-shirt

PANTS

- Dress pants — BESPOKE
- Denim — Levi's
- Belt
